

SLEEPOVER BY THE BAY

Sat September 12-13

November 21-22

7:30pm-8:30am

September 12 and November 21; program begins at 7:30pm and ends approximately 8:30am the following morning.

Explore the Bay Model after hours with our new, one-of-a-kind sleepover. Naturalists from Aquarium of the Bay will lead a dynamic tour, followed by evening snacks, a toasty campfire (weather dependent), and fun activities focused on Bay Area water issues. Kick your Sunday off with a continental breakfast before heading out for a refreshing morning kayak tour on the Bay, courtesy of our friends at Sea Trek.

Sleepovers are for ages 6 and up and their chaperones. Space is limited. Please contact Mayra Rivas at mayra@bay.org for more information, pricing, and booking.
